Your Elite Health plan handbook

This **Elite health plan handbook** is subject to the terms, conditions, and exclusions of the **policy terms & conditions document**, the **master certificate of insurance** we issue to **your employer**, and **your certificate of insurance**. A copy of these documents is available from **your employer**.

The terms of this **Elite health plan handbook** apply to **you** and to all of **your eligible dependants**, as stated in the schedule of **insured persons on your certificate of insurance**.

Eligibility to join your employer's plan

Eligibility to join **your employer's plan** is as agreed between **us** and **your employer** and is shown on **your employer's policy terms & conditions document** and **master certificate of insurance**.

If **you** are eligible to join, **you** must join within 30 days of becoming eligible to do so.

Your eligible dependants must also join the **plan** at the same time as **you** join, or, within 30 days of becoming eligible to do so if they only become eligible to join at a later date.

If **you** or **your** dependants do not join within 30 days of becoming eligible to do so **we** may refuse to offer cover, or only offer cover subject to **special terms**.

The purpose of your plan

Your plan provides **you** with cover for treating eligible medical conditions which arise after **your date of entry**.

We will pay for the **reasonable and customary** cost of **medically necessary treatment** of medical conditions covered by **your plan**. **We** will only pay for such **treatment** if it is received during **your period of cover**, and provided **your premium** payments have been kept up to date by **your employer**.

Any reimbursement **we** make may be subject to an **excess** and/ or **co-insurance**, and certain benefits are subject to a benefit limit. **Your excess** amount will be stated on **your certificate of insurance**. Any **co-insurance** and benefit limits will be as stated in the **table of benefits** for **your plan type**.

Your obligation to provide information relating to you and your dependants' medical history

We rely on the information **you** supply to **us** in **your application form** when **we** decide whether or not to accept **your application**, and whether or not **we** need to apply **special terms**.

If **your application form** omits facts or contains materially incorrect or incomplete facts, **we** have the right to declare **your plan** void. Alternatively **we** may impose **special terms** on **your particular plan** which will apply from **your date of entry**.

If **your** state of health, or the state of health of any of **your eligible dependants** changes between the time **you** complete **your application form** and **your date of entry**, **you** must tell **us** in

writing about the change, and **we** may only be able to accept **your application** with **special terms**.

Pre-existing medical conditions and related conditions

Unless **we** have agreed otherwise, **your plan** will not cover any **pre-existing medical conditions** or **related conditions**.

If you cease to be a Hong Kong resident

You must tell **us** as soon as **you**, or any of your **eligible dependants**, cease to be a **Hong Kong resident**. **Your plan** will automatically cease from the **renewal date** following the date on which **you** cease to be a **Hong Kong resident**. **We** may be able to offer to continue **your** cover under a similar plan if the laws of the country in which **you** become resident allow **us** to do so.

If the USA is or becomes your place of residence

If Switzerland is or becomes your place of residence

Under the terms of this **Elite health plan handbook** cover is not available to **you** if Switzerland is or becomes **your place of residence**, irrespective of **your** nationality. If Switzerland becomes **your place of residence** **you** must tell **us**. **Your** cover will automatically terminate from the renewal date after **you** take up residence in Switzerland.

Interpretation of your plan

This **Elite health plan handbook** is designed to describe **your plan type**. The final interpretation of any specific provision or its applicability is subject to **your employer's policy terms & conditions document** and **master certificate of insurance**, issued by the **insurer**.

Your area of cover

The cover provided by **your plan** is restricted to the **area of cover** stated on **your certificate of insurance**. The **areas of cover**, and their corresponding territorial limits, are stated below.

Zone 1

Worldwide, excluding the United States of America.

USA cover options

The following two options provide limited cover in the United States of America. They are only available if **your employer** has selected one of them and it is stated on **your certificate of insurance**.

Cover in the USA limited to temporary trips of up to 45 days

We will cover **you** in the United States of America for **temporary trips** of up to 45 days' duration from the date on which **you** enter the United States of America. Any trip of longer than 45 days will not be covered but there is no limit to the number of **temporary trips you** can make to the United States of America during any one **period of cover**. The maximum amount **we** will pay in respect of **treatment you** receive in the United States of America is

- HK\$1,937,500 or US\$250,000 per **insured person**, per **period of cover**, for **accident & emergency treatment** of a condition that you have not previously suffered from
- HK\$775,000 or US\$100,000 per **insured person**, per **period of cover**, for all other treatment.

Cover in the USA limited to temporary trips of up to 90 days

We will cover **you** in the United States of America for **temporary trips** of up to 90 days' duration from the date on which **you** enter the United States of America. There is no limit to the number of **temporary trips** each insured person can make during any one period of cover, but any **treatment** that is received during a **temporary trip** that is longer than 90 days will not be covered. The maximum amount **we** will pay in respect of **treatment you** receive in the United States of America is:-

- HK\$1,937,500 or US\$250,000 per **insured person**, per **period of cover**.

What you are covered for

The following **table of benefits** sets out the cover provided by each **plan type**. The **plan type** you have is as shown on **your certificate of insurance**. We will pay only for the **treatment** or services stated in the **table of benefits** relating to **your plan**.

Each benefit limit in the **table of benefits** is expressed in US Dollars and HK Dollars. The currency of the benefit limits that we will apply to **your plan** is shown on **your certificate of insurance**.

The limits shown in the **table of benefits** are the maximum amounts we will pay after the application of any **excess** and **co-insurance**, and will be subject to the annual benefit limit and any other specified applicable benefit limits.

Certain benefits in the **table of benefits** specify a **waiting period**. You must be covered by the same **plan** for the full duration of the specified **waiting period** before you can **claim** for that benefit. No benefit is payable for any **treatment** costs incurred during the **waiting period**.

Wherever the term 'Full cover' appears in the **table of benefits**, this means full refund of **reasonable and customary** charges, less any **excess** or **co-insurance** applicable to **your plan**, and subject to any limits that are specified anywhere else in the **table of benefits** for the type of **treatment** or care you receive.

Where there is a lifetime benefit limit, this is the maximum amount we will pay in respect of that particular benefit during **your** lifetime.

Certain benefits in the **table of benefits** are optional. You are only eligible for these benefits if **your employer** has selected them and they are stated on **your certificate of insurance**.

There are certain benefits in the **table of benefits** for which you must obtain pre-authorisation.

If you do not obtain pre-authorisation we will only pay 80% of the **reasonable and customary** cost of **treatment**.

If you choose a **private room** for your **in-patient** or **day-patient treatment** at the **restricted hospitals in Hong Kong** (listed below), the cover we provide for all **treatment** and accommodation costs will be subject to a 20% **co-insurance**. This means that you will need to contribute 20% of **your treatment** and accommodation costs.

- Matilda International Hospital
- Hong Kong Adventist Hospital
- Hong Kong Sanatorium & Hospital

Please note that this restriction applies even if **your employer** did not select the **semi-private room** or **general ward** options when they applied for **your plan**.

The **table of benefits** should be read in conjunction with the 'What you are not covered for' section of this **Elite health plan handbook**.

If you need to make a claim

As stated in the **table of benefits**, there are certain benefits and **treatments** for which **you** must obtain pre-authorisation.

If **you** need to **claim** for a benefit or **treatment** for which **you** must obtain pre-authorisation, **you** must contact **us** in advance of starting **your treatment** and give **us** all the information **we** require to assess if **your** proposed **treatment** will be eligible for cover under **your plan**. If **your** proposed **treatment** is eligible for cover, **we** will pre-authorise all eligible expenses. **We** will not pay for any **treatment** costs or expenses that have not been pre-authorised by **us** in advance.

Eligible medical services providers

You have the freedom to choose when and where **you** receive **your** medical **treatment** within **your area of cover**. Please note that **we** will only pay up to the **reasonable and customary** monetary amount which is typically charged in the country where **treatment** is being received.

If you have cover for temporary trips to the USA and you seek treatment there

All **treatment** **you** receive in the USA must be pre-authorised in advance by **us** or by the **Assistance Service**. **We** will not pay for any **treatment** in the USA that has not been pre-authorised.

If **we** instruct a local agent to arrange the billing and/or cost adjustment of **your** medical **treatment** expenses in the USA, any fees charged by the local agent will be deducted from the USA benefit limit available under **your plan**, as stated in the 'Your area of cover' section of this **Elite health plan handbook**.

If you are admitted to hospital

All **in-patient** and **day-patient hospital treatment** must be pre-authorised by **us** or by the **Assistance Service** more than 48 hours in advance.

Please contact **us** as soon as **you** know **you** need to have **in-patient** or **day-patient treatment** so **we** can contact the **hospital** to obtain the necessary medical information.

We will ask **you** to complete a pre-authorisation form and a consent form for the **hospital** to release details to **us**. Once **we** have received all information required from the **hospital** and **yourself** (to include any additional information **we** may request) **we** will advise **you** if the proposed **treatment** will be covered by **your plan**.

If **you** are admitted to **hospital** in an emergency and it is not reasonably possible for **you** to contact **us** in advance of **your** admission, **we** will consider **your claim**, provided **you** contact **us** within 24 hours of **your** admission. If **you** do not contact **us** within 24 hours, **we** may decline **your claim**, or subject **your claim** to 20% **co-insurance**.

If you have out-patient treatment and the cost of the treatment exceeds HK\$3,875 or US\$500

If **your out-patient treatment** claim exceeds HK\$3,875 or US\$500

or more, **you** must obtain pre-authorisation from **us**. **We** will only reimburse 80% of any eligible **treatment** costs that have not been pre-authorised in advance by **us**. Please note that all **advanced imaging** must be pre-authorised in advance.

If you have out-patient treatment and the cost of the treatment is less than HK\$3,875 or US\$500

Out-patient treatment claims with a value of less than HK\$3,875 or US\$500 do not need to be pre-authorised in advance by **us**. However, **we** do always recommend that **you** contact **us** or the **assistance Service**, even in the event of an **emergency**, before undergoing any **treatment** to ensure that the **treatment** is covered by **your plan**. Please note that all **advanced imaging** must be pre-authorised in advance.

If you do not obtain pre-authorisation for treatment that we have specified must be pre-authorised

For eligible **treatment**, which has not been pre-authorised, **we** will only reimburse 80% of the eligible costs.

How to claim back your eligible treatment costs

If **you** are claiming for a medical condition, **you** will need to download a claim form from **our** website.

Please complete section A of the claim form. If the total amount of **your claim** is likely to exceed HK\$3,875 or US\$500 (or the foreign currency equivalent), please take the claim form with **you** when **you** visit **your doctor** and ask him or her to complete and sign section B of the claim form.

Scan the completed claim form and the fully itemised invoices and receipts for the **treatment** **you** have received, and send to hkclaims@william-russell.com.

Even if **your claim** is less than HK\$3,875 or US\$500 **we** may in some cases require **your doctor** to complete and sign section B of **your** claim form before **we** can settle **your claim**.

We can only reimburse **your claim** when **we** have fully itemised invoices and receipts which give a breakdown of the **treatment** and medical services **you** have received, and any drugs **you** have been prescribed.

Please retain **your** original invoices, receipts and claim forms for 12 months. **We** may require these for auditing purposes.

Claim forms are not required however when **you** are claiming for the following benefits:

Well-being and dental claims: If **you** are claiming for the well-being benefit, or dental benefit please send **us** the fully itemised invoices and receipts for which **you** are claiming reimbursement, together with **your** bank account details.

Compassionate home visit claims: If **you** are claiming for the compassionate home visit benefit please send **us** a copy of the death certificate of **your close family member**, together with a copy of the invoice for **your** round-trip airfare, stating the class of travel, and **your** bank account details.

Claims for which a medical referral letter is required

If **you** are claiming for **out-patient** physiotherapy, any **treatment** by a chiropractor, mental health practitioner, osteopath, chiropodist or podiatrist, a dietitian consultation or an MRI or CAT (CT) scan **you** must also send **us your medical referral letter**.

If **you** are claiming for a PET scan, **you** must also send **us your specialist's medical referral letter**.

Supplying the information required to process your claim

We can accept the information required to process **your claim** via email. Simply scan in PDF format **your** itemised invoices, receipts, **medical referral letter** (when required) and **your** fully completed claim form, and email them all to hkclaims@william-russell.com. Please always retain the original copies of everything for a period of 12 months as **we** reserve the right to receive these documents before **we** assess **your claim**. **We** may also require them at any time for auditing purposes. Or, **you** can send the information required to process **your claim** by post.

You must submit **your claim** within 6 months of **your treatment** date, unless it was not reasonably possible for **you** to submit the **claim** within this time. **We** will not pay any invoices or receipts received by **us** more than 6 months after the **treatment** date.

We will not pay fees charged by a **medical practitioner**, or anyone else, for completing a claim form.

Paying your claim

Where possible **we** will settle invoices for **in-patient** or **day-patient treatment** direct with the **hospital** or **medical services provider**. **We** will deduct any **excess** or **co-insurance** amount, and any other ineligible items, and **you** will be responsible for paying the shortfall direct to the **hospital** or **medical services provider**.

If **we** are paying **you** direct, **our** preferred method of payment is bank transfer. If **you** provide **us** with incorrect payment details and **we** cannot recover the payment, **we** will not make the payment again to **you**.

We will only make payment to **you** or to the **medical services provider** that provided **your treatment**. Payment will not be made for **treatment** that has not been received yet.

If **we** or the **Assistance Service** pre-authorise costs which subsequently turn out to have been related to a condition which is not covered by **your plan**, **you** will be responsible for all the costs incurred, and if **we** have made any settlement on **your** behalf, **you** will be responsible for repaying to **us** the amount **we** have paid.

Using the direct billing service

To be eligible to receive the direct billing service, **your employer** must have completed an application for this service on **your** behalf and paid any additional **premium** invoiced by **us**.

If **you** are eligible for the direct billing service this will be stated on **your certificate of insurance**, and **you** will be issued with a membership card which bears the letters 'DB'. This card, together with photographic identification, will enable **you** to receive eligible **treatment** at **direct billing medical services providers** within **our medical network**. The **direct billing medical services provider** will bill **us** directly for **your treatment**.

If the cost of **your treatment** is greater than HK\$3,875 or US\$500, the **direct billing medical services provider** will contact **us** for pre-authorisation of the **treatment**. To avoid delays, **we** recommend that **you** contact **us** in advance of **your treatment**.

Once **we** have verified that the **treatment** is eligible for cover, **we** will provide **you** with a letter confirming that it has been pre-authorised so **you** can present it to the **direct billing medical services provider** with **your** membership card and **your** photographic identification. **We** will also let the **direct billing medical services provider** know.

It is important to note that the **direct billing medical services provider** is not aware of the terms and benefits provided by **your plan**. They will provide **treatment** in accordance with a separate agreement between **us** and them.

This means that, for **claims** of less than HK\$3,875 or US\$500 where the **direct billing medical services provider** is not obliged to contact **us** for pre-authorisation, it is **your** responsibility to claim only for **treatment** that is eligible for cover under **your plan**.

We have an obligation to settle all bills for **treatment** received from **direct billing medical services providers** within **our medical network**, provided that they fall within the terms of the contract between **us** and them.

If **you** receive **treatment** for a medical condition that is not covered by **your plan**, **we** will invoice **you** for the ineligible expenses **you** have claimed. This will also result in direct billing being withdrawn from **your plan**. If **you** do not repay to **us** these ineligible expenses within 30 days, **we** will withdraw the direct billing service from **you** and **we** reserve the right not to renew **your plan**.

If **you** cancel **your plan**, **you** must return **your** membership card to **us**. **We** will cancel **your** cover with effect from the date **we** receive **your** membership card. **We** can accept a photograph of a cut card.

The membership cards are **our** property and **we** can ask **you** to return the cards to **us** at any time.

We have the right to remove direct billing from **your plan** at any time within your **period of cover**, at **our** discretion.

Exchange rates

We will settle **your claim** in the currency in which **your employer** pays **your premium** unless **you** instruct **us** otherwise. If **we** have to make a currency conversion, **we** will use the historic exchange rate (provided by oanda.com) applicable on the date of each separate invoice **you** submit.

Exchange rates are imported into **our** computer system overnight, each night, using the live exchange rate at the time of the import. This may vary slightly from the historic exchange rates shown on oanda.com for the relevant day, which are based on the average exchange rate for the day.

If **we** have placed a Guarantee of Payment **we** will use the exchange rate applicable on the date **we** placed the guarantee.

Excesses, co-insurance and benefit limits

The **excess** shown on **your certificate of insurance** is the amount each insured person will have to pay towards the cost of their **treatment**. The **excess** is taken per medical condition per **period of cover**.

If **your plan** has an **excess** and the benefit **you** are claiming for has **co-insurance** and/or limits, **we** will apply the **co-insurance** first, then the **excess**, then the limit.

If **you** have a **plan** which has an **excess** per **claim**, this is the amount **you** will have to pay each time **you** make a new **claim** for **treatment** of a condition that is covered by **your plan**. If **you** subsequently suffer a new occurrence of that condition, this will

be treated as a new **claim**, and **we** will apply the **excess** again to that new **claim**. If your course of **treatment** spans two **periods of cover** (e.g. it is a **chronic condition** such as AIDS/HIV or it is **out-patient treatment** following consultations and/or tests for cancer), **we** will apply the **excess** again when **your plan** renews.

If **your claim** is in respect of the well-being benefits, **your excess** will be applied once per **period of cover**.

If **your excess** is per annum it will be applied once per **period of cover**. For example, if **your excess** is HK\$2,000 per annum, **we** will not pay for the first HK\$2,000 of eligible expenses **you** incur during **your period of cover**. **We** will apply one **excess** per **period of cover** irrespective of the number of **claims you** make. **You** must submit all eligible **claims** to **us** - even **claims** within **your** annual **excess**, as **we** will only be able to reimburse **you** when the value of the eligible expenses **you** incur exceeds the amount of **your** annual **excess**. When **you** renew the **plan**, the annual **excess** will apply again in respect of **your** new **period of cover**.

Our right to request additional information

We may request additional medical information to enable **us** to assess **your claim**, such as medical reports or tests. These must be provided at **your** own expense. **We** may also request an independent medical examination. If **you** do not agree to supply **us** with additional medical information that **we** reasonably request, **we** will not be able to assess **your** claim.

If **you** require ongoing **treatment** **we** may ask for further medical information, and if **we** do, the cost of providing this information must be borne by **you**. **We** are unable to return original documents such as invoices or medical letters, but **we** will send **you** copies upon request.

Our right to request a treatment review

We will not pay for **treatment** which in **our** opinion is inappropriate based on established medical and clinical practice and **we** are entitled to conduct a review of **your treatment** when it is reasonable for **us** to do so.

Illness or injury caused by a third party

If **you** are claiming for an illness or injury that was caused by some other person or organisation (a third party) **you** must let **us** know in writing straight away, or tell **us** on **your** claim form. **We** will then pay benefit in accordance with the terms of this **Elite health plan handbook** provided that **you** take all necessary steps **we** ask **you** to take to assist **us** in recovering **our** costs from the person or organisation at fault (such as through their insurance company) the cost of the **treatment** paid for by **us**, plus interest, at **your** own expense.

If **you** pursue a personal **claim** for damages against the third party, **you** must provide **us** with the full name and address of the solicitor handling the action. **We** will then contact the solicitor to register **our** interest and seek to recover **our** own costs, plus interest, in addition to any damages that **you** may recover or be awarded. **We** reserve the right to appoint **our** own solicitor to act on **your** behalf in this matter and to take over the conduct of the action.

If **you**, or any **insured person**, are able to recover from the third party (whether or not through legal action) compensation that includes any **treatment** costs **we** have paid, **you** must repay that amount to **us**. Any interest that **you** or any **insured person** may also have been awarded that relates to the recovered **treatment** costs **we** have paid for must also be repaid to **us**. If **you** only receive a proportion of **your claim** for damages then **you** must repay to **us** the same proportion of **our** costs.

If you are covered by another insurance plan

If **you** have any other insurance that covers the same costs as **we** do, **we** will only pay **our** proportionate share of the **claim**. In this event, **you** must provide **us** with full details of the other insurance, including the name and address of the other insurer, their policy and **claim** number and any other relevant information, when **you** first submit **your claim**. **We** will then contact the other insurance company to ensure that **we** only pay **our** proportion of the **claim**. This may involve **us** sending **your** personal information regarding **your claim** to the other insurer.

We will also allow sums paid by another insurer to be offset against the **excess** payable under **your plan** with **us**, subject to receiving confirmation from the other insurer of any amounts already paid by them, and subject to the **treatment** costs being eligible for cover under **your plan** with **us**.

Other information about your plan

Plan premiums

Your employer is responsible for paying the **premium**. **We** must be in receipt of the **premium** before **we** will commence **your** cover.

Your plan will only remain in force while **you** are employed by **your employer**. **We** will not pay for any **treatment** expenses incurred after **your** cover has ended, even it was previously authorised.

Unpaid or late premiums

We will automatically cancel **your** cover if **your employer** fails to pay **your premium** on or before the **premium due date**.

We may allow **your** cover to continue without **you** having to complete a new **application form** and health declaration if **your employer** pays the outstanding **premium** within 30 days of the **premium due date**. During this 30 day period **we** will not accept any **claims** for **treatment** incurred on or after the **premium due date** until **your employer** has paid the **premium** due. This also applies to **treatment** that **we** have already pre-authorised.

If **your employer** does not pay the **premium** within 30 days of the **premium due date**, **we** will cancel **your plan** from midnight on the day before **your premium due date**. Once **we** have cancelled **your plan**, **your employer** will have to reapply for cover and **you** will have to complete a new **application form**, which will be subject to **medical underwriting**.

Changing your cover

Any changes to **your** cover must be requested by **your employer**, and may be subject to further requirements such as requiring **you** to complete a new **application form** which will be subject to **medical underwriting**. **We** cannot accept requests from **you** to change cover for **you** or **your** dependants.

Adding dependants to your plan

If the **plan** includes cover for **employees'** dependants **you** must apply for cover on behalf of **your** spouse or partner, if they are under 70 years of age on their **date of entry**.

You must also apply for cover for **your eligible dependant** children, if they are under 18 years old, or under 25 years old if they are in continuous full-time education. **We** reserve the right to request proof of a child being in full-time education.

We will not commence cover for a new **eligible dependant** until **we** have accepted their **application** and **we** have received payment of their **premium** from **your employer**.

Adding newborn babies to your plan

If the **plan** includes cover for **employees'** dependants **you** may add **your** newborn child to **your plan**, without any **medical underwriting**, provided **you** notify **us** of their full name and date of birth, and **your employer** pays the additional **premium** required, within 30 days of their date of birth. If **you** have been insured with **us** for a continuous period of twelve months or more at the date of birth, the **date of entry** can be backdated to

their date of birth. The child's cover will be restricted to the cover provided by **your employer's plan type**.

There will be no cover for **your** newborn baby under any benefit until the baby is insured under the **plan**.

If **you** do not inform **us** about the birth of **your** child within 30 days of their birth, and/or **your employer** does not pay the additional **premium** within 30 days of their date of birth, **you** will have to make a new **application** for **your** child to be added to **your plan**, and this **application** will be subject to **medical underwriting**.

Newborn children who have been born as a result of **assisted reproduction treatment** and born within 36 weeks of conception are always subject to **medical underwriting**.

In the event of the death of an insured person

If **you** (the **employee**) die and have **eligible dependants** insured under **your plan**, they will no longer be entitled to be insured on the **plan** and will be removed from the date of **your** death. However, they may apply to be insured on their own individual **plan**, provided they are over the age of 18 years.

To enable **us** to do this **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your** date of death. Provided **we** receive the new **application form**, and the required **premium**, **we** will continue their cover as before but subject to **our** Individual **premium** rates.

If **your eligible dependants** want to continue with cover that is enhanced in anyway in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **your eligible dependants** are under the age of 18, their legal guardian will have to sign the **application form** on their behalf.

If an insured **eligible dependant** dies, please inform **us** as soon as possible.

Divorce and separation

If **you** have **your** spouse or partner included under **your plan** and **you** become separated or divorced, **we** will have to transfer **your** insured spouse or partner on to their own **plan** as they will no longer be entitled to be covered on **your employer's plan**. To enable **us** to do this **we** will require **your** spouse or partner to complete a new **application form** which must be completed and returned to **us** within 30 days of **your** date of divorce or separation.

Provided **we** receive the new **application form**, and provided **premiums** are paid by the new policyholder, **we** will continue to cover **your** insured ex-spouse or partner as before, but subject to **our** individual **premium** rates. If **your** ex-spouse or partner wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

When a child dependant is no longer eligible to be covered under the plan

If one of **your** children has married, or has reached the age of 18 (or the age of 25 if they are in full time education) they will no longer be able to be included on the **plan** from the **renewal date** following their marriage/birthday. However, they may apply to be insured on their own individual **plan**.

To enable **us** to continue their cover as before **we** will require a new **application form** which must be completed and returned to **us** within 30 days of **your renewal date** along with the appropriate **premium** due, which will be subject to **our** individual **premium** rates.

If **your** child wants to continue with cover that is enhanced in any way in comparison to their previous cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

If **we** do not receive **your** child's **application form** and **premium** within 30 days of **your renewal date**, their cover will automatically cease from midnight on the day before **your renewal date**. If they subsequently wish to apply for cover, they will have to complete a new **application form** and this new **application** will be subject to **medical underwriting**.

Changing your address, place of residence or country of nationality

You must inform **us** if **you** change **your** address and provide **us** with the new details.

If **you** change **your place of residence** or **you** change **your country of nationality**, **you** must tell **us** straight away.

If Switzerland is or becomes your place of residence

Under the terms of this **Elite health plan handbook** cover is not available to **you** if Switzerland is or becomes **your place of residence**, irrespective of **your** nationality. If Switzerland becomes **your place of residence** **you** must tell **us**. **Your** cover will automatically terminate from the renewal date after **you** take up residence in Switzerland.

If the USA is or becomes your place of residence

Under the terms of this **Elite health plan handbook** cover is not available to **you** if the USA is or becomes **your place of residence**, irrespective of **your** nationality. If the USA becomes **your place of residence** **you** must tell **us**. **Your** cover will automatically terminate from the date on which **you** take up residence in the USA.

If you leave your employment

If **you** leave **your** employment **you** are no longer eligible to be included on **your employer's plan** and **you** will be removed on the date **your** employment ceases. In some circumstances **you** may be allowed to continue cover with **us** on an individual **plan** with no additional **medical underwriting**, but subject to **our** individual **premium** rates. If **you** would like more information about this then please contact **us**.

When we can cancel your plan

We have the right to cancel **your plan** immediately if:
